SOUTHEAST (3/5) DANGER

Five Yellow flies into this sector, bringing money troubles and arguments, which causes the loss of wealth and business luck. If your bedroom is located here, you will face serious financial loss and disputes to do with money. Place the Stupa in this area to control the afflicted energies. Avoid noise or windchimes here. Female adults should avoid this place, as they will be affected with health problems to do with the eye. Carry a protective Annual Wu Lou Amulet to suppress the bad energies.

SOUTH (8/1) EXCELLENT

The white star 1 brings a prosperous month for those living in this part of the home. This star brings excellent career advancement and wealth luck. Enhance your good fortune with a General Cao Cao. There are plenty of opportunities for making money. However, disagreements and misunderstandings could lead to arguments among business partners due to a conflict of elements. Place a 3 Sheep Mountain Plaque in the South of the house to attract good fortune and help keep the bad energy at bay.

SOUTHWEST (1/3) BE CAREFUL

This will be a stressful month as the argumentative star flies into southwest. Minor disagreements could lead to major fights. Place a 9 Amulets here to suppress the bad chi. Display the Three Star Deities Fuk Luk Sau for overall good fortune luck. Do not hang bells or windchimes here as they could activate the argumentative star. At its worst, this could lead to lawsuits and legal entanglements. Use fire energy in the form of a red crystal triangle or a Amitabha Red Crystal Ball to exhaust the evil chi.

WEST (6/8) EXCELLENT

There will be great prosperity luck for those residing in this part of the home. The combination of stars brings wonderful money luck and is especially good for buying and selling properties. Use a Water Feature to enhance prosperity chi here. If this area is your bedroom, activate it with crystals. Your work and popularity receives a boost as they are helped by excellent mentor luck. To avoid troubled emotions, display a pair of Mandarin Ducks to strengthen romance luck. This is a good time to pursue new ventures if your front door is here.

NORTHWEST (5/7) DANGER

Those who spend a lot of time in this sector will see an increase in misfortune, quarrels and robbery. The aggressive energy of conflict could make the whole month extremely noisy and tension-filled. Display a Anti Burglary Plaque in this area. Occupants will be prone to disease of the lung region. There is also the danger of poisoning or injury to the stomach or womb. Remedy this affliction with A Yang Water Feature and place a Wu Lou on your bedside.

NORTH (9/2) BE CAREFUL

Unfortunate combinations of stars here generate energies of illness and magnify your negative feelings, causing you to worry. Display a Laughing Buddha or Goddess Kuan Yin here to take away your worries and problems. Occupants of this sector are likely to fall ill frequently this month and will be prone to lung problems. Display a Longevity vase for protection from illness chi. It is highly unfavourable for elderly people to sleep in this sector this month, as it brings serious illnesses.

NORTHEAST (7/9) BE CAREFUL

This combination brings bad news, as there could be a robbery in store, as the stars are expanding the violent and robbery energies. Display a Kuan Kung and Blue Elephant & Rhinoceros with treasure pot to protect your household. If your main door is located here, place a pair of Fu Dogs to guard your house. There is disharmony in the elements, bringing out about conflict energy, which could lead to serious arguments and violent fights. Keep sharp objects out of this sector.

EAST (2/4) SMOOTH

A favourable month for those in academic and literary pursuits. Students are encouraged to work in this sector this month. If your bedroom is located here, you will gain good exam luck from the visiting star. Display Carps Crossing Dragon Gate. New romantic opportunities flourish for men. Single men will find their partner, but married women should keep an eye on their spouse. Carry a Rooster with Amethyst Stone to overcome external romance. Married men must stay patient as there is a tendency to quarrel with spouse because of the disharmony energies.

CENTER (4/6) EXCELLENT

There will be excellent money luck from heaven. The number 6 brings the good fortune of windfall monetary gain. Wealth luck of this kind will benefit the whole family this month. Display a Precious Minister with Wind Chime here to boost your good fortune. If your family area or dining area is located in this sector, try to spend more time here, it will bring business success and career advancement. However, work could be slowed down as inspiration suffers because of a mental block. Place a Crystal Ball on your work desk to promote creativity and harmony.
